

## ***How Can I Visit One of Your Homes?***

We understand why you'd want to tour one of our houses: we're proud of our designs and would like very much to have you experience one, firsthand. There are several ways you can do this.

We regularly host open house events where we invite a select number of people to view one of our completed homes. In a typical year, we'll conduct open-house events in the spring and in the fall.

[Click here](#) if you'd like to be notified of upcoming events.

We also look forward to opening our first show home. Located just minutes from the Palm Springs, CA airport and downtown, we anticipate hosting events here as early as fall of 2017.

To view a specific house, right away, is a little more complicated. It's no small matter to get your house "gussied up" and arrange for your family to be out of the house for a few hours, so our clients prefer to make that effort only for people who are really committed to building. So, if you feel serious about working with us, and are eager to get going, please let us know and we'll start making the arrangements.

## **Contact us**

For more information on any of the general topics listed below, please visit our [FAQ page](#). If you'd like to speak with us about your specific project, please reach out to us at [info@turkeldesign.com](mailto:info@turkeldesign.com) or at 617.868.1867.
